Dear Members of the Labor Committee,

I appreciate your' consideration and your' vote in favor of bill HB 5124. My retail employer claims Saturday as the start of the work week. This allows the scheduling of full time employees from Monday through Friday; continuing to the consecutive Saturday, Sunday, the following Monday and Tuesday without payment of overtime compensation. That is 72 consecutive hours at regular pay. This is one example of unfair labor practices of retail corporations. I ask that you vote in favor of HB 5124 submitted by Representative Abercrombie.

Thank You  
Craig Gilbert
